

New Logos Support portal

Logos introduces a new support portal April, 1st 2024.

In the transition to a more professional support setup, we are introducing our new Logos support portal. The portal gives you access to an efficient and user-friendly support experience where you get access to:

- status messages with information/feedback about your case
- See the status of all ongoing cases
- add comments to ongoing cases

To get started on the Logos support portal, simply click on the link below and create a profile.

We will offer a number of new support agreements towards august, 1st 2024. If you do not have a valid support agreement or want to hear more about your options for support, click here [Send mail](#)

ATTENTION

After may, 1st 2024 it will no longer be possible to create tickets by sending an email to support@logos.dk.

We hope you will find our new support portal useful. We are happy to hear from you if you have any questions or need further help.

Best regards
Logos Support
